I confirm that I have read and fully understand the conditions set out in the Rules for the granting of a bursary and agree to apply myself to my studies in respect of the subjects for which I am enrolling. I also understand that in terms of the Rules, Newspaper Educational Fund can claim back from me the bursary or portion of the bursary under the following circumstances:-

- a) If I fail to attend at least 80% of the possible number of classes for the course at the college where I have enrolled (letter to this effect to be obtained from the college and sent to the Secretariat of NASA);
- b) If I fail to satisfactorily complete and submit at least 80% of the written tests prescribed by the college, whether I be studying by correspondence or by attending classes (letter to this effect to be obtained from the college and sent to the Secretariat);
- c) If I fail to write the examinations set for the courses for which I have enrolled, except where I was unable to do so, for the reasons considered by the Newspaper Educational Fund to have been beyond my control (information to be supplied to the Secretariat in writing);
- d) If I fail to remain in the employment of a member of the Newspaper Association of South Africa for a continuous period of one year reckoned from the day I wrote the last examination in the subject set for the course for which I enrolled, in which case I shall refund 50% of the sum granted as a bursary;
- e) If I knowingly submit false information on the application form for a bursary.

I CONFIRM THAT THE INFORMATION SUPPLIED ABOVE IS TRUE AND CORRECT
